Almost an April shower at an early hour this morning.

To-morrow will be Sunday—attend one of the churches.

The roller skating rink will furnish the usual amount of amusement to visitors this evening.

There was nothing doing in the county court house to-day, other than the regular routine business.

Marshall Hogan arrested a city drunk last night, and this forenoon he was compelled to take a tramp to the Harper house.

A potato race was one of the attractions at the roller skating rink this afternoon, the prize being won by Mr. Abe Wylar.

The Rev. Dr. Hodge of the Baptist church, and the Rev. Mr. Brown, of the Presbyterian church, will exchange pulpits to-morrow morning.

Messrs. Palmer & Stevens have their soda fountain in full blast to-day, and are dispensing the best soda in the state.

They have all kinds of syrups.

Mr. E. W. King has received Frank Leslie's Popular monthly for May. As usual it is filled with attractive illustrations and much interesting reading matter.

A first class April shower distributed considerable dampness in this city at noon to-day, and among other great benefits received by its coming, was the disappearance of the clouds of dust in the city, which prevailed during the forepart of the day.

Rev. Father Boylan, recently from Ireland, a noted lecturer of wide reputation, and an eloquent and able speaker, will lecture in St. Patrick's church to-morrow evening at 7:30 o'clock, on the subject of "Ireland." The public are cordially invited to attend.

The heavy south wind this forenoon, caused the dust to rise in heavy clouds on West Milwaukee street, to the great annoyance of business men and pedestrians. On the east side of the river, the sprinkling wagon was out and did a good service in wetting down the business portions of Main and East Milwaukee streets.

A letter from Mr. Howard W. Tilton, says that he has decided to leave the circulation and business in Council Bluffs of the Omaha Bee, the paper with which he has been connected since he left the Gazette. Under this arrangement, he and his brother-in-law will form a copartnership, and will establish a job office in connection with the business of the Bee. We surmise they have got a pretty good thing, and if they have, their friends in Janesville will heartily rejoice.

The members of our horse companies are talking of purchasing horses to draw the cars during the summer. For the past winter they have had the use of horses for their keeping, and now that the season has arrived which puts more value on the service of a horse, they are compelled to adopt some other measure or go back to the ante-diluvian mode of drawing the horse carts by man power, the thought of which causes considerable "kicking" among the members of the department.

Confidence.

ZEPHRA is a certain preventive of malarial troubles, as it keeps the liver active. It makes bilious fever impossible. On the same grounds it makes indigestion impossible and the blood pure.

It is a want of judgment to allow prejudice to prevent one from trying this remedy. The writer has seen many such who, being persuaded, were surprised and gratified at the results. Try a 10-cent sample. Sold by Prentice & Evenson.

The New Organ.

The new organ built at Buffalo, New York, expressly for Christ church, of this city, has arrived and is being put up under the personal supervision of Mr. G. House, the manufacturer. It is a two manual organ, has two octaves of pedals, and has twenty-two stops. It is said to be a first-class organ for the price, the list figures being \$2,000. Mr. House who has been engaged in the church organ business for fifty years, is confident that it will give satisfaction. A force of men are now engaged in putting the organ in place, and they expect to complete the work next week so that the organ can be used in the service one week from to-morrow. The ladies of Christ church have labored long and patiently for this organ, and now that they have accomplished their undertaking, we trust it will prove highly satisfactory in all respects.

The Man Who Talks Much.

We want to say a word to you who make a living with your tongue. You certainly must have a clear, strong voice to engage your hearers. Dr. Thomas' Electric Oil for sore throats, colds, and hoarseness is unexcelled. Use and admire.

The Weather.

REPORTED BY PRENTICE & EVENSON, DETROITERS.

The thermometer at seven o'clock this morning registered 63 degrees above zero. Cloudy and threatening rain. Wind strong from the south. At one p.m. the register stood at 69 degrees above zero. Cloudy, wind southwest. For the same hours one year ago the register was 54 and 55 degrees above zero.

WASHINGTON, April 14, 1 a.m.—The following are the indications for to-day:

Lake Region—Increasing cloudiness, followed by rain, warmer east to south winds, and falling barometer during the day; followed by colder weather; and northerly to westerly winds Sunday morning.

Uniformed Patriarchs.

At the annual meeting of Bower City Temple No. 3, Patriarchal Circle, held in Odd Fellows hall, last evening, the following officers were elected for the ensuing year:

Oracle—N. O. Baker.

Vice Oracle—W. H. Burgess.

Treasurer—Volney Atwood.

Secretary—C. T. Winslow.

Marshal—C. J. Blakeley.

Trustees—S. B. Kenyon, 3 years; D. E. Puffer, 2 years; C. T. Winslow, 1 year.

Municipal Matters.

An adjourned meeting of the common council will be held on Monday evening, at which all business pertaining to the present council will be disposed of. The term of office of the present city officials expires at twelve o'clock on that evening.

Nearly all of the newly elected officers have filed their official bonds with the city clerk, and subscribed to the constitutional oath.

Mr. Herman Buchholz, who was elected alderman in the second ward to fill the vacancy caused by the resignation of Alderman Nowlan, filed his official bond, and took the oath of office this morning, and is, therefore now entitled to all the privileges of an alderman.

Mayor-elect St. John will convene the new common council some evening during the coming week. He says he will not make any attempt to write a message, but will simply confine his remarks to a brief review of city matters.

The new council being a political tie, they will undoubtedly throw all political matters to the winds, and all unite in acting for the best interests of the city. Those who look for political trickery in the new council will be disappointed. In fact there are no regular politicians in that body, and we look for quiet meetings of the aldermanic board during the coming year.

A Very Old Man.

John Funk, of Springfield, Ohio, writes, "I was tramped upon by a horse, and for a year the pain through my hips was so bad I could not rise on my feet. Thomas' Electric Oil helped me beyond description. It will wonder for those who suffer from colds."

Sold by Palmer & Stevens and Sherer & Co.

The Advance Brigade.

The advance brigade of Colonel Burr Robbing Great American and German Allied shows, under the command of Mr. George K. Steele, are arranging to start out on the road the first of next week, probably on Monday or Tuesday. The brigade will consist of Mr. George K. Steele, general agent of the show; Mr. J. J. Sholes, contracting agent, and twelve men who go into service as the paste brigade and bill distributors. This division will require four hundred horses.

The vehicles that go with the advance brigade are five in number, all of which were manufactured in their entirety in the well known shops of Mr. Herman Buchholz, of this city. No. 1 is a two-horse empire-cross spring-top buggy. No. 2 is called the lithograph wagon, and is a neatly designed, platform top wagon, with a well arranged box divided into drawers, which will be used to carry the choice papers of the advance agents. No. 3 is the bill wagon. This is the heaviest vehicle of the advance and will require from four to six horses. The wagon is somewhat like a covered carry-all in design, differing only in that the forward half of the box is all enclosed, for the purpose of carrying the show bills, while in the rear of this seats are arranged for the accommodation of the bill posters.

No. 4 and 5 are wagons used entirely by the bill posters for carrying the paste outfit for the show.

These wagons will make a good show on the road, as they are all made of the best material, and finished in the latest and highest style of art. The painting is of the best, and the outfit reflects great credit not only to the great show they are to herald through the country, but to the excellent work turned out of the manufactory of Mr. Herman Buchholz.

The Bill Poster.

We get many letters from druggists stating pleasant results from customers of bilious temperaments having used ZEPHRA.

Those subject to depression or low spirits, caused by indigestion or liver troubles, will be surprised how rapidly and pleasantly it acts. It corrects the secretions, strengthens digestion. Usually a 10-cent sample convinces one of its value. Sold by Prentice & Evenson.

The New Choir.

The new choir recently organized for St. Patrick's church, is composed of the following ladies and gentlemen, under the leadership of Mr. J. M. Kneff, one of our best musicians:

Mr. J. M. Kneff, basso.

Mr. Charles E. Church, tenor.

Mrs. Charles E. Church, alto.

Misses Ida Schueker, Nellie Hickey, Kate Joyce, and Minnie Joyce, soprano.

Organist—Miss Sarah Hickey.

This choir will commence its labors in the service of the church for the first time to-morrow morning.

Testimony from the Press.

To those afflicted with lung trouble, hear what W. D. Wilson, of the Ottawa (Ill.) Times says: "After being disabled for three months with a cough, and lung trouble, often spitting up blood, can testify that I am cured permanently by a free trial bottle of Dr. Higelow's Positive Cure." A free trial bottle can be had at Sterns & Baker's drug store.

The Horse scales have all the latest improvements. It is true economy to buy the best. Borden, Sallack & Co., agents, Chicago.

The City of Edgerton.

The Edgerton Reporter gives the new city of Edgerton the following send-off: "When Del Chamberlain was marshal before Edgerton became a city there was not a tramp to be seen, and a person was safe to return to his home after business hours, if it did cost the county a little. But look at it now. It is not safe for a woman or child to be on the streets after dark, and a man has to carry a shotgun, revolver, in fact a good-size artillery to protect himself from getting 'sund-bagged,' then probably he will get it. We have seen more tramps to Edgerton during the past two weeks than the whole term Chamberlain served as marshal. Don't protect the citizens but let the tramps rule, it's a nice thing, there is a tramp law, and a good one, too, why not put into effect and drive the lazy fellows out of town? We know this to be actual facts because we live in the ward where tramps are the thickest."

Death of Captain Edward Barry.

HEADQUARTERS, W. H. SARGENT POST No. 23, JANESVILLE, WIS., April 14, 1883.

Special Order, No. 6.

Comrade Edward Barry is dead. He was summoned to appear before the Supreme Commander at 35 minutes past 3 o'clock this afternoon, and bravely answered "here."

One by one, the heroic defenders of the nation are falling before the scythe of time. Our ranks here are being depleted for recruits in the Grand Army above. As comrades and citizens, it behooves all to pay homage to the memory of a soldier; who in the hour of the nation's peril took the steel of the foe, and on the proclamation of peace, laid down the implements of war, and in fraternity, charity and loyalty, took up the role of a citizen.

It is therefore hereby ordered, I. A special meeting of this Post will convene at headquarters to-morrow, Sunday, 15th, at 2 o'clock p. m., to arrange for the attendance of the funeral of our late comrade.

II. A general attendance is requested.

III. Every member of the Post is hereby expressly detailed to communicate the purport of this order to all. By the commander, E. G. HANLOW, Adjutant.
